Experience

Lato Milk Distributors — Data Entry Clerk | 2022–2024

Nairobi, Kenya

Managed customer and business records by accurately entering, updating, and maintaining data in company systems. Organized digital files, verified data accuracy, and updated databases to ensure records remained complete and current. Maintained confidentiality and supported daily administrative operations.

Faras Center — Call Center Agent | 2024–2025

Nairobi, Kenya

Provided customer support by answering incoming calls and assisting with ride bookings, account

inquiries, and service concerns. Resolved issues efficiently, updated customer records, and documented interactions accurately. Worked with team members to ensure timely and effective service

Projects

AI Productivity & Workflow Automation Project | 2026

Built AI-assisted workflows using ChatGPT for research, email drafting, and task automation to improve productivity and efficiency.

AI Document & Research Project | 2026

Created AI-generated documents, summaries, and research outputs to support faster decision-making and better organization.

Prompt Engineering Project | 2026

Practiced prompt engineering for business and administrative tasks to improve AI response quality and workflow accuracy.
